A Chapter of the Society of Decorative Painters
Volume 36, number 1 January/February 2018

President's Message:

Hope everyone enjoyed the holidays and that 2018 will be healthy and happy.

Sandy DeAngelo taught a class in November that everyone enjoyed, especially since there was very little floating. The class was a cardinal and if you see a cardinal a loved one who has passed is thinking of you. What a great project to hang and see a cardinal every day, especially here at the holidays.

In December Marlene Fudge taught two easy flower Christmas ornaments. It was nice to have two new ornaments and get a head start on our ornament painting. The ornaments were fast and easy and the results were beautiful, especially after applying the glitter.

Thank you for all the work that went into preparing and teaching these classes.

As a reminder, in January we have a pot luck lunch and our annual swap meet.
