A Chapter of the Society of Decorative Painters  
Volume 37, number 2    March/April 2019

## President's Message:

Our March meeting is our annual favor painting and catered lunch day. We hope the weather will allow us to have a big turn out of members so we can complete our favors and be one more step closer to our luncheon. The project looks like it will be fun and easy to paint and we should all be able to paint several before breaking at 1:00 for lunch.

The weather didn't cooperate in November, but we were able to reschedule Marlene Fudge to our January meeting. The project was a snow scene with a snowman and log cabin. Teaching for our chapter gave Marlene practice for teaching her project at convention, and gave us the opportunity to paint a convention project we might not have been able to paint otherwise.

In February we painted a mason jar filled with daisies. Linda Koehler started the lesson with a song, A Daisy A Day. She had researched her favorite flower, the daisy, and explained that the three colors in our project were the three colors of real daisies.

Thank you to both Marlene and Linda for all your hard work in preparing and teaching these classes. Everyone was happy with the projects and able to go home with completed projects.  
Charlotte
